

## **Water and sanitation projects signed**

RIYADH: Water and sanitation contracts worth SR757 million were signed by Abdullah Bin Abdulrahman Al-Hossein, Minister of Water and Electricity recently.

These contracts will be implemented in Jeddah, Makkah, Asir, Madina, Qassim, Najran, Riyadh and the Eastern Province.

King Abdullah, Custodian of the Two Holy Mosques, wants these services provided to the people. This is also part of the ministry's continual services to citizens to meet the expansion of urban areas and the rapid increase in the population.
