

Two sewerage projects approved in Dubai

May 8th, 2008

HH Sheikh Hamdan bin Rashid Al Maktoum, deputy ruler of Dubai, UAE minister of finance and Chairman of **Dubai Municipality** has approved tenders for two projects to construct sewerage and rainwater drainage lines in Al Khawaneej and Al Barsha at a total cost of AED 527.8 million.

Hussein Naser Lootah, acting Director of **Dubai Municipality**, said contracts for the two projects were already awarded to a local contractor. The projects are scheduled for completion in 730 days.
